The Lansing Housing Commission ("LHC") is a Public Housing Agency ("PHA") that provides rental housing units and rental assistance to families.

Our mission states: "The LHC will compassionately, deliver healthy, affordable, safe, quality housing options without discrimination with exceptional customer service, while meeting high performance standards."

We manage 4 asset management properties ("AMPS")/communities, including over two hundred scattered site single family houses, 4 townhouse developments, and one high-rise building, for a total of 834 units and administer over 1600 housing choice vouchers.

Housing Choice Voucher's ("HCV")

The Lansing Housing Commission's Housing Choice Voucher Program makes Housing Assistance Payments for qualified households. As a participant in the program, Voucher Holders, have access to safe, affordable, housing of their choice.

Low Income Public Housing (PH)

As a team, LHC's Asset Managers and Assistant Asset Managers manage the day to day operations of LHC properties, including required reporting, determining applicants eligibility and suitability, leasing activities, and managing maintenance operations.

LHC's Maintenance TEAM ensures all maintenance activities are completed timely, efficiently and excellently, including rehabbing vacant units, completing work orders, maintaining the grounds and much more.

Our goal is to provide superior customer service in all aspects of your rental experience.
